

City Hospital - 2026-01-09

Document handover-city-hospital-2026-01-09-31 · revision 1 · effective 2026-01-09

Machine type:

Shift note

Nights at City Hospital. Took SDM43-2026-10005 over from the previous crew at shift start.

Observations

- Recovery tank smelled bad at the end of the run, probably not rinsed properly yesterday.

- Water on

Actions taken

- Topped up the solution tank and checked the detergent dosing was set right.

- Put it on c

Outstanding

- Battery wants a full charge cycle, do not take it out on a short top-up.

- Needs the

L. Brennan. Back Thursday.
